

LIFELONG LEARNING CENTRE

## **TRAINING COURSES**

1. SURVIVAL / ORIENTATION TRAINING – These training courses help MDWs adapt to Singapore work-life. The main aim of the “On-boarding and Integration Programme” (OIP) targeted at first-time MDW arrivals through a series of courses, is to effectively orientate them into Singapore’s culture, customs, lifestyle, and expectations of employers. The goal is to ensure that all MDWs are able to work and live well and complete their contract.
